

Peptide Synthesis

We make it, you can rely on!

Full Range Services:

Mass Spec Checked: accurate to the atoms

Linear or cyclized

Short or long: 6-140 amino acids

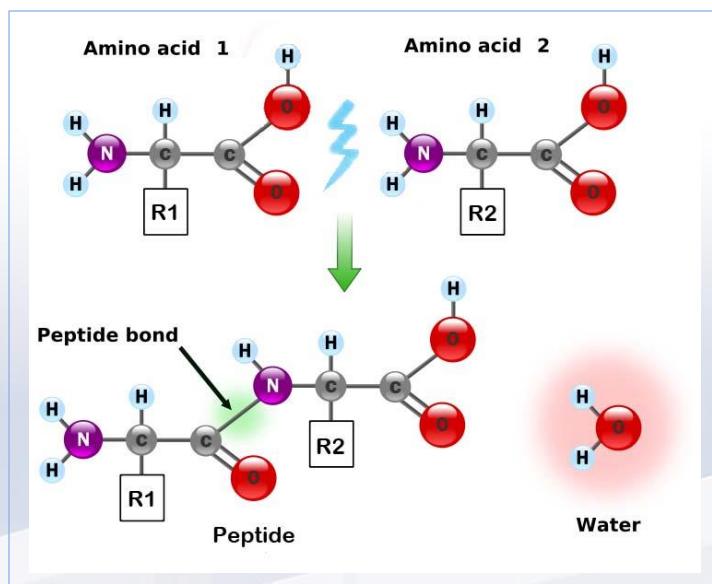

Scales: milligram to kilogram synthesis

All purities: to greater than 99%

Modifications: Biotin, phosphor, dyes...

Peptide-Protein conjugation

Quick turnarounds

Sample Pricing

(for peptides of 6-30 amino acids, inquire on longer peptides)
